DATA SHEET

JABRA EVOLVE2 50

The next-generation professional headset. Engineered to unleash hybrid productivity.

Technology for life's new rhythm

OUT-OF-THIS-WORLD COMFORT

Game-changing Jabra Air Comfort technology helps you focus on your day without your headset getting in the way. Layers of ultra-soft perforated foam inside the pressure-relieving headband* create incredible out-of-this-world comfort. Flexible, ergonomic earcups rotate to move whenever you do, for even more freedom. **Now there's nothing holding you back.**

FLEXIBLE AND FAST SETUP

Evolve2 50 is designed to make things easier. Plug it straight into your computer and you're good to go. Dual connectivity means you can use Bluetooth® to connect to a second device (like your phone) at the same time - so you can seamelssly switch between power-ballad playlists on one and take calls on the other. **More ways to help do things your way.**

ACTIVE NOISE CANCELLATION

A novelty acoustic chamber design, premium noise-compressing mics, and a specially-designed chipset deliver powerful Active Noise Cancellation, shielding you from outside noise to create your very own focus zone. **Silence your surroundings.**

UNIFIED COMMUNICATIONS (UC)

Evolve2 50 works with all virtual meeting platforms and is also available in a Microsoft Teams-certified variant for more efficient and seamless collaboration. **The professional way to work.**

NOISE-CANCELLING MICROPHONE TECHNOLOGY

A clever chipset powers the speech-separating, noise-cancelling algorithm and 2 premium microphones inside Evolve2 50, to effectively filter out background distractions. So whoever you're talking to hears you – and only you – as clearly as if you're sitting next to them. **Sound professional, even when your surroundings aren't.**

ONE HEADSET FOR WORK AND PLAY

Efficiency-boosting tech and a 360-degree busylight promote focus and collaboration, while optimization for music and media and 28mm custom speakers deliver rich, full sound to your favorite songs and shows, so there's no need to switch headsets when it's time to take a break. **Keeps work and life in perfect harmony.**

*Stereo variant only. Mono variant has lightweight non-padded headband.

HOW TO SET UP

Plug the USB-A/USB-C cable into the USB port on your computer
