- On/Off switch
- Wireless reception distance of 10 meters
- Suitable for both left and right-handed users

Description

The Equip 245122 4-Button Wireless Mouse delivers reliable performance, ergonomic

comfort, and effortless control for everyday computing. Designed with simplicity and precision in mind, it uses advanced 2.4GHz wireless technology to provide a stable, lag-free connection with a working range of up to 10 meters. The plug-and-play USB receiver allows quick installation—just connect it to your computer and start working instantly without any additional drivers.

Featuring four responsive buttons—left, right, scroll wheel, and DPI switch—it offers smooth navigation and adjustable sensitivity for precise cursor control. The DPI adjustment lets users switch between speed levels for accurate work or fast scrolling, ideal for both office tasks and casual browsing.
